CHURCH NOTES

Today Bro. Roy B. Williams from the Eastside Blvd. church of Christ will be our guest evangelist and Carl Washington from Reseda is our guest song leader.

Happy Birthday to those born in April.

From the Desk of Bishop Henry

For the early Church fellowship was vital for growth. It was during their times of fellowship that they studied the apostles' doctrine, shared in the breaking of bread, and prayed for one another (Acts 2:42-47).

Fellowship also demands righteous living or in other words living right. To walk in the light has He is in the light. (I John 1:7) Light has no fellowship with darkness; neither does righteousness have fellowship with unrighteousness. (2 Corinthians 6:14). Watch who you associate with not only in the world but, with those in the body of Christ because being associated or affiliated with the wrong crowd can put you out of fellowship.
