Bible Time

True or False

1. Early Christians celebrated the birth of Jesus.

False – There is no mention of either the apostles or the early Christians celebrating the birth of Jesus. There is no trace of Christmas until it was first mentioned by the Roman Church in 336 A.D.

2. The Bible says that Jesus was born in December.

False – The Bible does not mention when Jesus was born. The best evidence pointing towards the end of September or early October. The shepherds were still tending to their flocks in the fields., The shepherds would only keep their flocks in the fields from April to October, taking them back home to shelter them over the winter months.

3. Micah foretold that Jesus would be born in Bethlehem. True – (Micah 5:2)

4. Three wise men came to visit Jesus after his birth.

False – They clearly did not visit Jesus while he was still lying in the manger (Matthew 2:11). They met in a house and Jesus was a young child. Herod ordered the killing of all the children up to two years old for he knew that Jesus could have been nearly two years old by then. (Matthew 2:16)

5. The angel said, “Peace on earth to all men.”

False – The angel said, “Glory to God in the highest, and on earth peace, good will toward men.’. (Luke 2:14)

6. Mary gave birth the night she arrived in Bethlehem.

False – The Bible would suggest otherwise (Luke 2:6) Arriving in town well before her due date would make more sense
