*From the Desk of Bishop Henry*

Worship is for all those who are children of God. This place is where we come together an acceptable worship towards the true God We should approach worship with the attitude of reverence so that the Word of God can penetrated the heart. Remember that is not a ballpark or a bowling alley (Hebrews .10:25).

During worship services everyone should be together. Here are some things to help us worship God more reverently.

- ❖ Everyone should know what time worship services begins and not be late
- ❖ Let's sing, let everybody sing
- ❖ Do not walk too much. It can be a distraction.
- ❖ When we are singing do no read the bulletin
- ❖ When we are confessing our sins one to another, don't go to the restroom
- ❖ Do not leave before the benediction

**Come let's work and grow together!**

**Food for Thought**

A preacher finished the service one morning by saying, "Next Sunday, I am going to preach on the subject of liars. As a preparation for my sermon, I would like you all to read Mark 17."

On the following Sunday, the preacher rose to begin. Looking out at the congregation he said, "Last week I asked you all to read Mark 17. If you have read the chapter, please raise your hand." Nearly every hand in the congregation went up.

Smiling, the preacher said, "You are the very people I want to talk about today. Mark has only 16 chapters.

**Food Pantry**

Every Thursday we provide qualified families in our community and members of this congregation with food through the Los Angeles Regional Food Bank program.
