From the Desk of Bishop Henry

In this world today, there are many, many, churches that people attend. Out of all those churches, can the church that Christ built, be found? Yes, but what does one need to know when looking for the Church that Christ gave his life. Here are six keys qualities to know:

1. Christ is the Head (Eph 5:23).
2. A church that does not teach what the Apostles taught is not Christ's Church (Eph 2:19-21).
3. Christ is the Good Shepherd (John 10:11-14).
4. Christ's Church does not obey the doctrine of men (1 Cor 2:13).
5. Christ's Church does not add or take away from the word of God (Rev 22:19).
6. In Christ's Church its members worship according to the scriptures (John 4:23-24, Acts 2:42).

Here are my questions to you. Does the church you attend found in the Bible? (Rom 16:16) Were you baptized for the remission of your sins? (Acts 2:38) You need to make sure you are in Christ's Church (2 Peter 1:10).

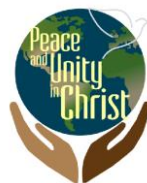

Come let's study and grow together!
